About

National Science Day is celebrated every year on 28 February to mark the discovery of the 'Raman Effect' by Sir C.V. Raman on 28 February 1928 .This discovery got Nobel Prize in Physics to Sir C.V Raman .In 1986, the Indian government officially recognised February 28 as National Science Day, having been approached by the National Council for Science and Technology Communication (NCSTC) and approved by the then-government.

Topics for the Poster

*“Indigenous Technologies For
Viksit Bharat”*

Poster Presentation

AIMSCS is conducting poster presentation competition on the topic mentioned Selected posters will be given ranks and called for presentation on 28.2.2024. Presented posters will be awarded participation certificates. First three rankers will be awarded cash prize and certificate. High school students(6th Standard to 12th Standard) are supposed to prepare poster of size 46” X 34” with their details (name, class, roll number, school name and mobile number in the right corner of the poster) and send the soft copy of the poster in pdf/jpg/jpeg format to cr Rao103@cr Raoaimscs.res.in on or before 24th February 2024.
